To

General Secretary to Government of
Mysore, Bangalore.

SIR,

Subject:- Disposal of inam and sirkar lands - endowed to Sri Sidlu Mallikarjunaswamy temple at Bettadapura Periyapatna Taluk.

I have the honor to state that the inam and sirkar lands measuring in aggregate 67 ~~xxxxx~~ acres 21 guntas, belonging to Sri Sidlu Mallikarjunaswamy Temple at Bettadapura, Periyapatna Taluk, have been scattered in several villages and that the annual income therefrom is also poor. The Dharmadarsis of the Temple have proposed to cancel the inam tenure of the inam lands and to dispose of all the lands, by public auction, the proceeds being invested in Government security to the best advantage of the Institution. The Deputy Commissioner, agreeing with the Dharmadarsis and the local officers, reports that without cancelling the inam tenure, the inam lands may be sold in public auction, without any restrictio or reservation of special right, treating the purchasers of the lands as permanent tenants with heritable and transferable rights, subject to payment of full assessment and cesses to the Temple as was done in the case of inam lands of Sri Gopalakrishnaswami Temple at Shimoga. A copy of Deputy Commissioner's letter No.H.159/39 dated 17th May 1943, is enclosed.

2. The Commissioner for Settlement, and Land Records, who was consulted on the subject, agrees with the proposal of the Deputy Commissioner and states that it is analagous to the cases referred to in G.O.Nos.2736-40/Muz.326-40-2 dated 8th May 1941 and 1623-7/Muz.293-41-2 dated 16th March 1942.

3. In the circumstances, I request that sanction of

of Government may kindly be obtained to the disposal of both the inam and sirkar lands by public auction, as proposed by the Deputy Commissioner. Sanction may also be accorded to invest the sale proceeds under Charitable Deposit which will be to the best advantage of the Institution.

4. The file of papers is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

The M. C requests sanction to the recommendation of the D.C. Mysore, for the disposal of both the inam and sirkar lands as recommended by the D.C. by public auction and (2) the investment of the sale realisations under Charitable Deposit to the best advantage of the institution.

The above proposal has been agreed to by the Commr for Land Records & settlement, agreed to by the Dharmadarsis of the Temple, and supported by precedents (Flags X and

Letter No.H.159/39, dated 17th May 1943, from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore, Bangalore.

Cancellation of the Inam tenure of lands belonging to the Sri Sidlu Mallikarjuna Swamy Temple at Bettadapura, Periyapatna and their disposal in public auction.

..

In forwarding herewith the records connected with the above ending with the ~~xxxxx~~ Memo No.R4-Muz.121 of 37 dated the 29th April 1943, from the Sub Division Officer, Mysore, I have the honour to state as follows:-

The Sri Sidlu Mallikarjunaswamy Temple at Bettadapura is a major Muzrai Institution endowed with the marginally noted inam and sircar lands. As the income realised from these lands was very small,

the Dharmadarsis of the temple resolved at their meeting held on the 26th November 1937, that the lands be disposed of in public auction, the proceeds thereof being invested in Savings Bank Deposits so as to secure better income for the temple. The Sub Division Officer, reports after inspecting some of the lands, that as the temple lands have been distributed over several villages, proper supervision is impossible and that it would therefore be advisable to dispose them of by sale and create a decent fund for the institution. The average income from the lands is seen to be Rs.76-8-0 per annum and deducting the Jodi of Rs.34-1-7 due to Government, a sum of Rs.32-6-5 only remains for the temple. This amount is quite disproportionate when compared with the vast extent of land belonging to the temple. It is reported that the lands if sold in public auction would fetch Rs.6,245/- in the aggregate. The local officers have in the circumstances recommended cancellation of the Inam tenure of the lands and their disposal in auction. I may add in this connection that in a similar case relating to the cancellation of the Inam tenure of the Devadaya Inam lands endowed to the Sri Gopalakrisnnaswamy temple at Shimoga and their disposal in outright sale, got sanctioned the proposal made by the Superintendent of Land Records that without cancelling the inam tenure, the lands might be sold in auction without any restrictions or reservations of Special rights, treating the purchasers of the lands as permanent tenants with heritable and transferable rights subject to payment of full assessment and cesses to the temple (vide Copy of Government Order 2736-40/Muz.326-41 dated the 8th May 1941, a copy of which was sent to the Sub Division

Division Officer, Mysore, in Myzrai Commissioner's D.O.No.D2.Dis.415/ dated the 7th January 1942).

As the case on hand is an all fours with the one sanctioned in the above cited Government order. I request that similar orders of Government may kindly be obtained in the matter early.
